

# AIP | Journal of Renewable and Sustainable Energy

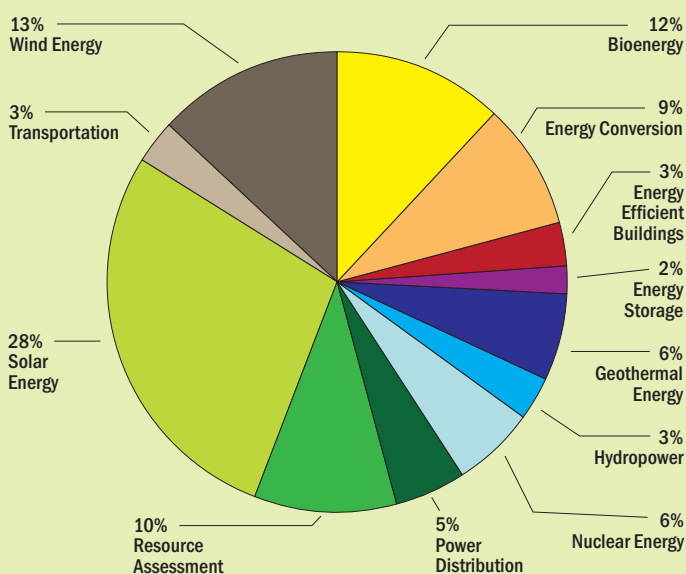

[jrse.aip.org](http://jrse.aip.org)

2012 MEDIA KIT

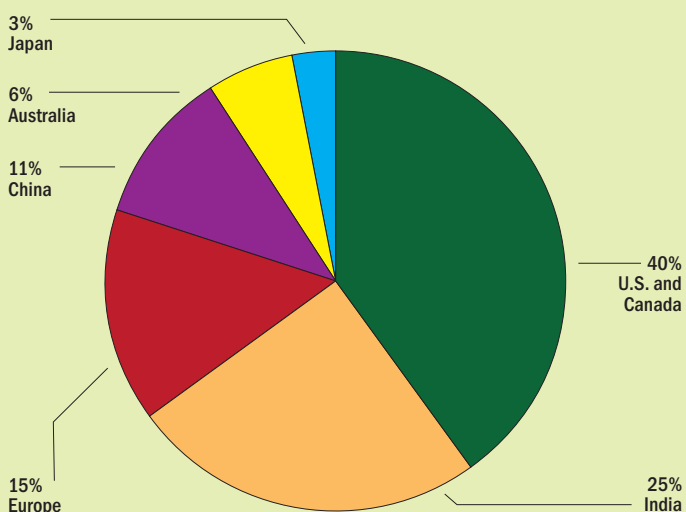

## DEMOGRAPHICS

*Journal of Renewable and Sustainable Energy* (JRSE) users include research and development; administration, engineering, quality assurance; management; and journalists.

### MAIN FIELDS OF INTEREST

### GEOGRAPHIC DISTRIBUTION

Advertise in *Journal of Renewable and Sustainable Energy* to build your brand in one of the fastest growing markets in the world. Quality content covers topics such as solar energy, wind energy, energy conversion, transportation, and energy efficiency.

## DEPARTMENTS

### Top Stories

JRSE's top stories report on current energy-related research and headlines in the field. These stories combine current events, policy, and research to provide a discerning look at today's hot energy topics.

### Clean: The Official JRSE Blog

Timely comments and insight on renewable and sustainable energy and related technology. The blog provides accessible highlights of research, news, and events from the world of energy research.

### Interviews and Speeches

This collection of audio, video, and text interviews regularly showcases researchers, newsmakers, and other individuals of interest to the field of basic renewable and sustainable energy research.

### Podcasts

The JRSE Podcast gives readers a chance to listen to a researcher discuss their work in their own words. In addition to covering specific articles, there will also be comprehensive podcasts—covering content and events you might have missed.

### Announcements

News about JRSE and other AIP publications. Includes coverage of the journal on the web and other information, including technical developments and updates of Scitation, AIP's web and technology platform.

### Energy-Related News and Media Articles

Energy-related news and events culled from major newspapers, magazines, and websites; includes items of interest not just to scientists but also the general public.

# Advertise in AIP's International Publication Offering the Latest Developments, News and Community Features Focused on Renewable and Sustainable Energy

## SPONSORSHIP

*Journal of Renewable and Sustainable Energy* is freely available online to researchers and other readers without subscription and charges no publication fees. JRSE will recognize the generous support of the sponsors who make this possible by displaying their company logo on the journal's home page and sub-pages, and providing links to the company's web site. **Annual rate: \$10,000**

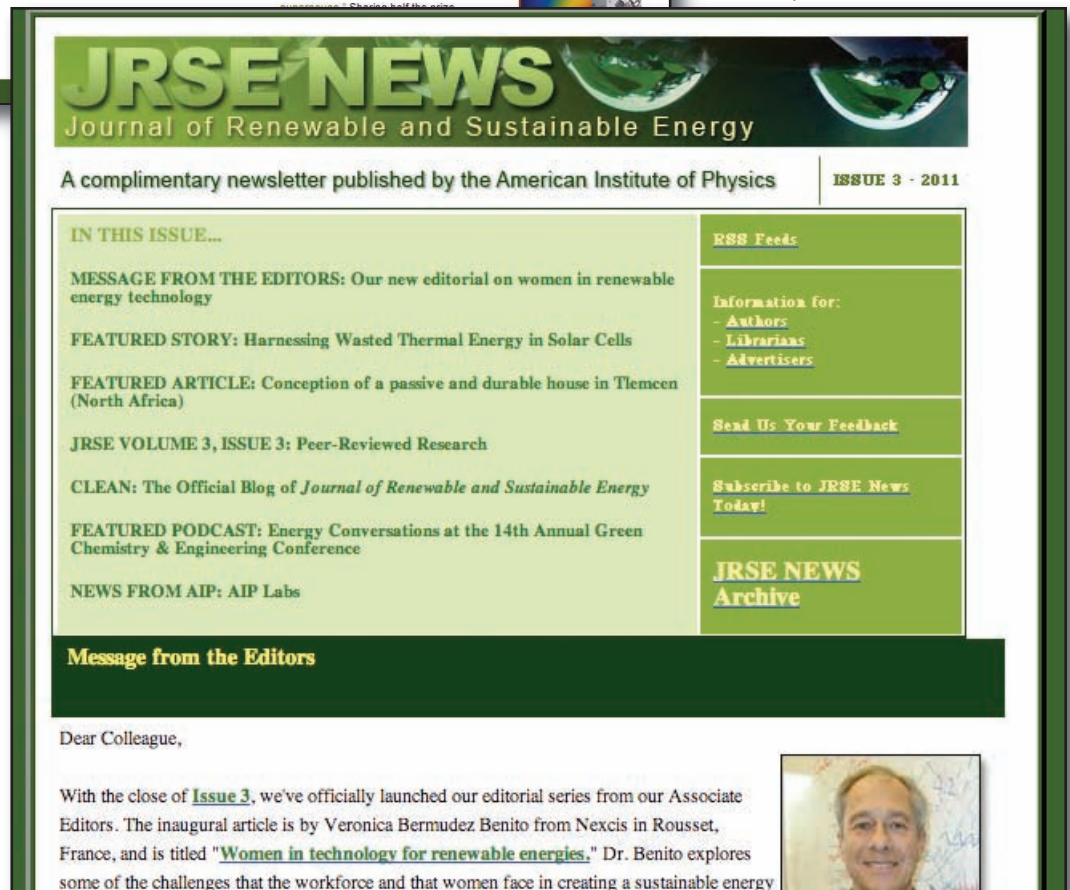

## BANNER ADVERTISING

Banner ads on JRSE online are surrounded by up-to-date content and are sure to grab readers' attention! Banners are posted on numerous landing pages ensuring tremendous visibility. Banner size is 120 x 240 pixels. Files accepted are .gif and .jpeg up to 30 kilobytes. See table for rates.

## E-NEWSLETTER ADVERTISING

Advertise bi-monthly to generate sales leads, build awareness, and boost sales opportunities. Our highly visible ads give your company instant impact with thousands of readers and the opportunity to highlight your latest product or connect with potential new customers. Banner size is 120 x 600 pixels. Files accepted are .gif and .jpeg. See table for rates.

## CLASSIFIED ADVERTISING

Attract the most qualified candidates by placing your recruitment ad online with *Journal of Renewable and Sustainable Energy*. Take advantage of the same online formats and attractive rates as product advertising. Contact Mary Ellen Mormile at 516-576-2461 or [mmormile@aip.org](mailto:mmormile@aip.org)
